

## Dial "M" For Mother

**Sample Script** for Investigator, Voice Over and Younger Sibling. *Subject to change upon casting the two roles.*

VOICE OVER: The day began the same way as so many others.

(alarm clock rings, mother is calling from a distance)

INVESTIGATOR: (getting out of bed) Coming, Mom! (yelling downstairs)

SIBLING ONE: (rides into room on a scooter singing) Happy Birthday to me!  
Happy Birthday to me!

INVESTIGATOR: Mom said you have to knock!

(sibling exits)

VOICE OVER: Oh no! If it was *Bobby's* birthday, then that means Mother's Day must be around the corner.

(rushes to Sibling 2's room)

INVESTIGATOR: What are you giving mom for Mother's Day?!

SIBLING 2: (*holds up a macaroni necklace*) I suppose you can't get away with these types of from the heart handi-crafts, can you anymore? (*mischievous laugh*)
